

Policy Number: 1985-01
Effective Date: 01/01/1985
Revised Date: 02/04/2020
Applicability: Faculty, Staff, Students and Departments

Purpose

To insure the cleanliness of rooms through their many hours of daily operation, to minimize the cost of cleaning furniture and floors/carpeting, and to minimize the opportunity for pest and insect infestation.

Policy

In those situations where food and/or drink is provided in a common area the sponsor or department is responsible for appropriate clean up and securing of trash and garbage.

Should circumstances warrant, the office of Facilities may be compelled to charge an offending department or activity for the cost of clean-up and/or garbage removal.
