

## Mandatory Requirements for Visiting Lehigh University:

Please complete and submit this form to your Lehigh contact or event organizer. **Event** organizers are responsible for ensuring that attendees are following all requirements and must retain this information/the completed screening forms in a confidential and secure file for one month to aid in any contact tracing. After one month, this information should be destroyed for privacy reasons.

- 1. All visitors must establish and monitor compliance with necessary safety measures for themselves and anyone in their organization or group. Self-Assessment is mandatory for all visitors via HawkWatch, either using the app or <u>web-based version</u> or using page 2 of this form.
- 2. All visitors must follow current Lehigh University Covid-19 guidelines.
- 3. Any visit to the Lehigh campus must be approved and/or overseen by Lehigh personnel.
- 4. Visitors are required to follow established guidance by <u>CDC/PA Dept. of Health</u> if they or anyone in their party is suspected or confirmed with COVID 19.
- 5. In specific situations, visitors may be required to confirm full vaccination status. This may include performers who cannot be masked (e.g., speakers, dancers, singers and actors) and who are not Lehigh students, faculty or staff, but are performing in university facilities. Any role- or context-specific requirements should be followed as communicated by their respective department and stem areas (see page 4).
- 6. Individuals visiting campus for a conference or workshop lasting more than one day must be fully vaccinated. All conference or workshop attendees are required to submit to the conference organizer confirmation of COVID-19 vaccination prior to arrival to participate in on-campus events (see page 4).
- 7. Visitors are required to notify Lehigh (their host department) immediately upon learning that they or anyone in their party may be suspected or confirmed with COVID 19 if:
  - a. The suspected or confirmed case was on campus the day they became ill
  - b. The suspected or confirmed case was on campus or any subsequent days after they became ill or after they had a positive test
  - c. The suspected or confirmed case was on campus in the 48 hours before the individual became symptomatic or if no symptoms, the 48 hours prior to the COVID-19 test being done
- 8. Failure to comply with safety requirements will result in immediate request to leave campus. Any violation of safety rules may result in permanent removal from campus.
